Program Descriptions. All classes will be held in person. Students will engage in fun learning activities with certified teachers.

ELA: Students will engage in a variety of activities, including interactive reading & writing, phonemic awareness & phonics, shared book experiences, and individualized skill instruction.

Math: Students will engage in a variety of activities, including hands-on math centers, problem solving, fact fluency, and individualized skill instruction.

Innovative opportunities that allow students to thrive in opportunities for personal growth, creative outlets, and learning in a safe community.

Parents are encouraged to enroll their students for one session or both sessions.

Registration: Opens May 9

Specific courses for students are subject to staffing availability.
