Times: 8:00 - 11:30 (AM class), 12:00 - 3:30 (PM class)

Who: Students in Royal Oak, grades 9 - 12, Credit Recovery only

Location: Royal Oak High School

Cost: Free for students currently enrolled at ROHS/Churchill

### Program Descriptions

---

#### **Credit Recovery (In person at ROHS)**

All coursework will be taught using the web-based E2020 program through Edgenuity. This credit recovery program is for students who need to regain credit for a class they have previously taken. Students must attend all sessions held at ROHS from June 21 - July 15 (no classes July 4). A link will be provided for registration with available classes on May 9.

#### **PSAT/SAT Readiness Program (Virtual/Remote)**

This program is a student-paced remote course in preparation for the PSAT and SAT in both English Language Arts and math with the support of a Royal Oak Schools teacher who will serve as an instructional coach. This program recommends that students engage in at least 30 minutes per day of online skillbuilding at their own pace. The instructional coach will monitor student's progress, encourage students to stay engaged in their learning experience, and provide office hours for student support. This course will run pending a minimum student enrollment number.

---

## Registration: Opens May 9

Specific courses are subject to staffing availability.
